Lonere tal. Mangaon, Dist. Raigad, Pin 402 103

Subject: Appreciation of your contributions in services to government
authorities for disaster mitigation and relief operations

Dear Sir,

March 2019 to December 2021, the period of Covid-19 pandemic severely affected life cycle of our citizens. As a local authority of Revenue Department of State Government, we had worked day and night to create facilities for mitigating this situation. I appreciate your help in completing the approach road and finishing part of the building required for Covid Care Center in Campus of DBATU Lonere which served very well for entire South Raigad. Your consultation in provision of separate staircase to second floor and planning for isolation of Covid ward, design of layout and foundations for oxygen plant for Rural Hospital Mangaon helped to set up Covid Ward there. Similarly, you helped setting up of oxygen plant at Civil Hospital Alibag and carried out structural audit of this building. All such activities amidst the covid duration have greatly helped administration for quicker establishment of public facilities.

Nisarg cyclone of 3rd June 2020 badly hit the Mangaon, Shriwardhan area of Raigad district. It led to disruption of road network, electrical grid and damaged many buildings in the area. You have helped to restore the roofs of many government and private buildings. DBATU campus water supply and road connectivity were taken care of by you within 48 hours. With your involvement, district administration could set up residential facilities for "Mahavitran" technical staff who have reported to Mangaon area for restoration of electrical grid.

During 21-22 July 2021, Mahad taluka was worst hit by abnormally heavy rain leading to submergence of Mahad city and area around it. Major landslide at Taliye and few other occurred in this region. Your help for providing accommodation and food to 400+ NDRF Staff almost overnight is sincerely acknowledged. You have also helped in offering technical guidance for flood relief operations.

Above are the major events of your participation in efforts of district administration. You have been helping time to time on many other occasions, I am happy to issue this testimonial of your sincere efforts. I wish you all the best and expect similar cooperation in future.

Regards

Thanking you.

Mrs. Prashanti Jadhav-Dighavkar
Sub-Divisional Officer
Mangaon
