7.1.3	Management of the degradable and non-degradable waste
Q.M	The facilities in the Institution for the management of the following types of Degradable and non-degradable waste (within a maximum of 500 words)
	<p>Description:</p> <ul style="list-style-type: none">• Liquid waste management - The University is spread over large area. University building has its unique rainwater drainage system. The University had maintained drainage system for the management of liquid waste. Liquid waste is managed through an open Oxidation Pond of capacity 5 Lac liters/day. Liquid wastes generated by the institute i.e., Sewage waste including toilet, washroom, kitchen, canteen, residential complex etc. The liquid wastes are mainly drained to improve the ground level of water.• Solid waste management - Each department, hostel, residential complex as well as administrative offices collect the waste and dump it in a small waste bin located in the department. Dustbins are placed in each building, from where housekeeping staff collect the wastes. From the small bin wastes are dumped in big bin/ disposal brickwork structures regularly. From the big waste structure, the solid waste is transferred through the Institute tractor/trolley and Sanitation Workers to the Isolated area in the campus. The unnecessary papers (old question papers, answer scripts etc.) and broken furniture are, however, sold out to the third parties.• Hazardous Chemical Waste Management: our university do not generate hazardous waste and can be classified as conditionally exempt small quantity generators under Hazardous Waste (Management and Handling) Rules 1989, amended in 2009 & 2010• E-waste Management: E-wastes are generated from departments/laboratories, including out of order equipment or obsolete items. All these wastes which cannot be reused or recycled is being disposed of through Notice Inviting Quotation or E-tender by the Store & Purchase department.• Bio-medical Waste Management: Biomedical waste, collected in the health Centre is initially dumped in the designated place at Health Centre and the same is handed over to the AUTHORIZED SCRAP MERCHANT at regular intervals. A separate contract in this regard has also been signed with the authority scrap merchant for the Biomedical waste management.
