Certificate of Professional Development

The purpose of Continuing Professional Competency (CPC) is to ensure that professionals maintain a satisfactory level of competency. Part of this competency is achieved through Short Courses may qualify as CPC in certain jurisdictions in the following:

- *There is a clear purpose and objective relating directly to the practice of the profession.*
- *The content of the Short Courses is well organized and documented.*
- *The course outline and presentation demonstrate this prior planning and preparation.*
- *The presenters are well qualified on the basis of education and experience and discussion leaders.*
- *The record of attendance is verifiable by the possession of this certificate.*

Therefore, Dr. Sonali Mhatre
