Dear **Sayali**

With reference to your application for internship DBATU/extc /Internship/2022-23/ dated 20th Dec 2022 and our discussions, we are happy to offer your internship opportunity at JyoSH AI Solutions Pvt. Ltd. as Embedded software engineer from 15th Jan 2023 to 31st July 2023.

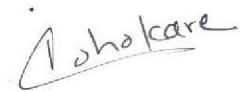

As requested by you, we will grant you leaves during your 7th semester and 8th semester examination. You need to apply for such leaves by sending email with CC to your engineering college authorities. Your internship will be governed by rules and regulations of company.

You will be getting stipend of Rs 8000 per month so as to take care of your monthly stay expenses at Hinjewadi Pune near our office. In addition to stipend, you are entitled to get cash bonus every quarter based on your performance, attitude and discipline. However, if you leave internship in between (before July 2023), you need to return entire stipend for not fulfilling commitments.

You are requested to share two references (one personal and one professional) along with their names, email ID and contact number as emergency contacts.

We welcome you to JyoSH family and looking forward to long term association with JyoSH taking higher responsibilities and different roles to achieve your career objectives.

Please note that your internship letter is strictly confidential and should not be shared with anyone.
