

Key Indicator - 7.3 Institutional Distinctiveness

Metric No.	
7.3.1	<i>Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)</i>
Q1M	Provide the weblink to: <ul style="list-style-type: none">● Institutional Distinctiveness on the Institutional website

“Ambedkar is the Father of my Economics” Nobel laureate Professor Amartya Sen

Dr. Babasaheb Ambedkar, the “Greatest Indian” was the eminent researcher and social reformer. He devoted his life for studying various branched of knowledge and implementing that knowledge for making a proud and better India. Dr. Ambedkar always used to say “I am Indian first and lastly”. The Vision, Mission and Objectives of the Dr. Babasaheb Ambedkar Technological University, Lonere are rightly embodied with the missionary work of Dr. Ambedkar. Dr. Ambedkar was the visionary who had worked for various engineering projects and gave “Bhakra Nangal Dam”, “Damodar Valley Project” “Central Grid”, he was the pioneer of “River Connecting Project”, which is still to be realised. As the University is named after this great visionary leader of India, all the research scholars, students, faculty and staff follow the principles laid down by Dr. Ambedkar through his writings and speeches as well as the Indian Constitution. The University clearly points towards highest quality education, technology-based education, in the most cost-effective manner. The Institution contributes to the society through vaccination camps, NSS blood donation camps, awareness rallies, guest lectures and workshops of teachers, staff and students. To make the teaching learning effective the University has a rich library, smart classrooms, 24-hour internet facility, Wi- Fi etc. The University is continuously providing a platform to all the students to enhance their skills, intelligence and potential with social responsibilities. The University is also responsible in meeting cleanliness and healthy environment providing clean, safe drinking water and restricts social evils such as smoking, ragging in the campus. Students from this university have competed in various tournaments at state and national levels.

Similarly, various NSS and NCC activities of the University have been recognized at National levels. The university provides substantial opportunities for students from different streams to come together in different academic as well as sports, cultural and other extra-curricular activities organized by various societies and clubs of the institute which inculcate the spirit of social discipline, required work and civic accountability towards nation building and social development. The embodiment of Constitutional values, rights and duties is done through various programs. The teachers at DBATU used innovative teaching techniques such as virtual labs, interdisciplinary activities, peer teaching methodologies etc. to make the teaching learning process interesting, enjoyable and effective. The students are motivated to take up short internship programs to develop their professional aptitude, strengthen personal character, and to enhance their working skills. Various departments have formed clubs which allow students to think, innovate and learn through teamwork. Though during the pandemic situation, it was difficult for everyone, the University not only conducted all the activities smoothly but also extended its help by offering newly constructed hostel as “COVID Centre” for patient’s isolation and treatment.
