Dear Colleague,

I am happy to convey you that the task of feedback analysis for the academic year 2022-23 has been completed. I am sure you will appreciate the feedback given by the students. The feedback given by the students will be a guiding tool for every teacher to improve upon shortfalls and has nothing to do with awards/penalties. Of course, if the performance of all teachers of a particular Department is very good then it will be a good team work of that department. The overall performance of the department will go up by such good team work
The feedback analysis pertains to your performance is given below:

Sr. No.	Attributes	Points/Rating
1	Communication Skill	9.04
2	Interest generated by the teacher	8.75
3	Ability to integrate course contents with practical applications	8.54
4	Ability to emphasize usefulness to other course	8.50
5	Accessibility of the teacher in and out of the online class	8.96
6	Ability to design quizzes/examination/assignments/projects to test the	9.04
7	Knowledge base of the teacher	9.25
8	Sincerity/commitment of the teacher	8.75
9	Quality of the study material (PPT / Notes /Lab Manual / any other	9.00
10	Ability to teach difficult topics with adequate attention and ease	8.79
11	Skill to encourage students to ask question, and to make lectures	8.75
12	Whether full syllabus has been covered within time.	8.88
13	Overall rating	8.85

I hope you will take suitable corrective action to improve your performance. There is always a scope for improvement then only the meaning of progress sounds better.

Semester: VI

Subject: Reaction Engineering - II, BTPCC601

Dear Colleague,

I am happy to convey you that the task of feedback analysis for the academic year 2022-23 has been completed. I am sure you will appreciate the feedback given by the students. The feedback given by the students will be a guiding tool for every teacher to improve upon shortfalls and has nothing to do with awards/penalties. Of course, if the performance of all teachers of a particular Department is very good then it will be a good team work of that department. The overall performance of the department will go up by such good team work.

The feedback analysis pertains to your performance is given below:

Sr. No.	Attributes	Points/ Rating
1	Communication Skill	8.71
2	Interest generated by the teacher	8.57
3	Ability to integrate course contents with practical applications	8.60
4	Ability to emphasize usefulness to other course	8.63
5	Accessibility of the teacher in and out of the online class	8.71
6	Ability to design quizzes/examination/assignments/projects to test the understanding of the course	8.80
7	Knowledge base of the teacher	8.83
8	Sincerity/commitment of the teacher	9.00
9	Quality of the study material (PPT / Notes /Lab Manual / any other material)	8.63
10	Ability to teach difficult topics with adequate attention and ease	8.80
11	Skill to encourage students to ask question, and to make lectures interactive and lively	8.83
12	Whether full syllabus has been covered within time.	9.03
13	Overall rating	8.76

I hope you will take suitable corrective action to improve your performance. There is always a scope for improvement then only the meaning of progress sounds better.

Yours Sincerely
